

Measuring Cups

- Comprehensive range
- Custom colours available
- Wide selection to fit on many standard cap profiles
- Choice of graduation type – pad printed, moulded (e.g. raised profile) or in-mould-labelled (IML). For more information on decoration options go to www.richmondcontainers.com/in-mould-labelling
- Full colour IML option available on 23ml and 60ml cups, offering excellent branding opportunities

	Code	Capacity (ml)	Graduation (ml)	Dimensions (mm)	Pack Size	Material
